CALL FOR SPONSORS

The European Capital Markets Institute (ECMI) together with Brevan Howard Centre for Financial Analysis would like to invite you to sponsor the upcoming ECMI Annual Conference, scheduled for November 5th. The ECMI Annual Conferences usually address topical issues related to capital markets development and integration in Europe.

This event offers your organisation an ideal platform to increase its visibility, thanks to the participation of high-level policymakers, industry representatives and academics who provide their insights into the most salient policy debates of the day. External financial support contributes to the success of the conference. Our organising team will ensure that your contribution is fully recognised.

For thirteen years running, the ECMI Annual Conference has brought together an excellent line-up of speakers to share their expertise with participants from across Europe and beyond. Please see below more information about ECMI's previous annual conferences, including a list of endorsing organisations.

We very much look forward to hearing from you and remain at your disposal for any further questions.

With best regards,

KAREL LANNOO
